

Purchase Guide for Required Textbooks

7 – 10 Bible Classes

New Living Translation*

Life Application Study Bible NLT

List Price: \$39.99
ISBN: 978-0-8423-8493-3
Trim Size: 6 1/2 x 9 3/16
Page Count: 2448
Binding: Hardcover
Release: October 2004

*10th grade students who purchased the NIV Life Application Study Bible last year may continue to use it, so you don't need to purchase another new Bible. However, all other students grades 7 – 10 need to purchase the NLT Life Application Study Bible and have it available to bring to Bible class each day. Be prepared to underline and mark in these Bibles with colored pencils.

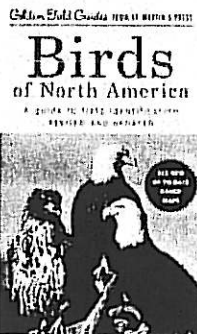

7 – 10 Science and Biology Classes

Published: February 2001

The books on the right are also acceptable. When selecting a bird book look for those that have color pictures/illustrations, information and range maps together on facing pages. Bird species should be arranged in the book by family groups. Avoid small books covering only small geographic regions and those arranged by bird color.
